DETAILED ACTION

Status of the Claims

Claim 7 is cancelled. Claims 12 and 15 are amended. Claims 17-44 are newly added.

Response to Arguments

Applicant's arguments filed 07/18/2008 have been fully considered and, in light of the amendments and the cancellation of previously rejected claim 7, are persuasive.

Allowable Subject Matter

Claims 9-16 are allowed. Newly added claims 17-44 are allowed.

The following is an examiner's statement of reasons for allowance: To the Examiner's knowledge, no reference contains the specific compressive strengths of the claimed graft paired with the specific times at which said strengths occur. The added claims add no new matter and do not serve to broaden the scope of the previously allowed claims, and have not been shown to be anticipated.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
